

Minutes for MCTA meeting April 30, 2013

Bryan Ashby opened the meeting at 9:20 a.m. Attendees were late in arriving because of traffic issues due to rain.

Bryan opened with a review of the discussion at the Joint CTE Principals and CTE Directors on February 15, 2013. He led the attendees through a discussion of the notes from that meeting, seeking their contributions on the main topics, particularly the School Performance Index and the new Teacher Evaluation requirements.
