Maryland Career and Technology Administrators

advancing career and technology education for all students

MCTA 2016 – 2017 Goals

• Increase student participation rates in CTE;

• Increase number of dual completers;

• Foster business and industry support of CTE programs and students;

• Promote strong linkages among school systems, community colleges and 4-year affiliate colleges and universities;

• Measure, collect and analyze data on student performance, graduation rates and enrollment in further education;

• Analyze PQI data by school site, program, and student performance;

• Implement strategies designed to close the achievement gap through improved access and equity for all students in CTE programs (new from 2016 Institute);

• Advocate for current, relevant opportunities for CTE teachers that increase teacher knowledge and skills related to teaching and the learning process as they earn teacher certification (new from 2016 Institute).
