

MCTA GOALS FOR 2017 -2018

- Increase student participation rates in CTE;
- Increase number of dual completers;
- Foster business and industry support of CTE programs and students;
- Promote strong linkages among school systems, community colleges and 4-year affiliate colleges and universities;
- Measure, collect and analyze data on student performance, graduation rates and enrollment in further education;
- Analyze PQI data by school site, program, and student performance;
- Implement strategies designed to close the achievement gap through improved access and equity for all students in CTE programs;
- Advocate for current, relevant opportunities for CTE teachers that increase teacher knowledge and skills related to teaching and the learning process as they earn teacher certification; and
- Dedicate professional development time to gain a stronger understanding of how federal and state government policy impacts CTE. (new for 2017)
